About Me

I am an analytical and ambitious learner with a strong academic background and a genuine interest in programming. I enjoy working with languages such as C, Java, MySQL and I have practical experience with Data Structures and Object-Oriented Programming to real projects. I like building things that are scalable and useful, and I take pride in writing code that is clean, efficient, and easy to maintain. Problem-solving motivates me, and I'm always eager to learn new approaches and improve my skills.
